## THE WEATHER IN PORTLAND

Collect data on the weather for these days. Use your senses, online resources, your phone, etc. The National Weather service (<http://www.weather.gov/>) or <https://www.accuweather.com/en/us/portland-or/97209/september-weather/350473> are good resources. Make sure you don't write in the forecast.

**Analysis** (type or put your answers on a separate piece of lined paper)

1. Describe how the weather changed over time.
2. What patterns or connections do you notice in your data?
3. What was difficult about collecting this data?
4. What other data would have been good to collect?
